Austrian X-Plane Design Group

1. The original

The public hospital in 7350 Oberpullendorf, Pannonia. The hospital was opened in 1929 and modernized and expanded until today. The main focus lies on the medical care for the people of the middle of Pannonia state. Approximately 20.000 out- and 13.000 in patients are been treated per year.

2. The Scenery

The photorealistic scenery was build from scratch. GoogleEarth and pictures taken on site were used as data source. The helipad is for VFR only. Some objects are from the joint library of the AXDG and from other sources.

Charts

not available.

Austrian X-Plane Design Group

3. Functions (Summary)

- Photorealistic Scenery
- Compatible to "OSM+autogen" or "Osm_Austria_beta5.0" from PilotBalu
- • realistic ground texture at the hospital-area
- real lighting, individual built
- night textures and lighting *)

*) X-Plane 10, 11 only!

4. Installation

Just copy the folder " LOAO KH Oberpullendorf 2.0" in the compressed file after unpacking in the "Custom Scenery" - folder.

directory structure:

```
<X-Plane-Verzeichnis>/
  Custom Scenery /
    LOAO KH Oberpullendorf 2.0/
      Earth nav data and others)
```

and restart X-Plane.

5. Recommended settings

To visualize all light effects, HDR should be activated. The higher the settings for "texture resolution" and "airport detail" the better the quality of the scenery but the more affect on the FPS ratio.

6. Required Software

X-Plane® Version 11.10+, 10.30+ or 9.7

7. Comments for the X-Plane 9 version

Unfortunately some functions of the scenery must be disabled for X-Plane 9 and therefore it will not look like on the pictures which where taken with XP10.30RC1).

Austrian X-Plane Design Group

8. Used Libraries

none

9. Recommended addons

Although the scenery will work without any addons, we recommend to use the following ones for the whole experience (pictures taken with addons installed):

OSM Europe osm+autogen by PilotBalu,

Download from: http://simheaven.com/?page_id=23

to have streets and buildings from OSM and autogen where is no coverage of such data.

or

Osm Austria beta 5.0 by PilotBalu

Download from: <http://simheaven.com/experimental/>

HD Mesh Scenery v2 by alpilotx

Download from: <http://www.alpilotx.net/downloads/x-plane-10-hd-scenery-mesh-v2/>

Europe Library von LyAvain,

Download from: http://simheaven.com/?page_id=14

to see European instead of US buildings.
